

In Our House

Together, we're building community, hope and stability.

This single Mom and her children were homeless at times before they moved into their Habitat home in 2019. She lost some income due to COVID-19 so we helped with her payments. Her words to you:

"We could not imagine these chaotic times if we were facing no housing. We knew that even if we had to be at home 24/7, we were actually jumping up and down that we just had a place to call our very own to do what was needed in this time of crisis.

Because of your help, we have walked through a pandemic, holding hands tight with family – doing school, work, church online in a safe clean home, knowing we have each other. No matter how high the tide rises, we knew we had a place to call home, and THAT IS EVERYTHING to US.

Thank you, thank you, thank you!"

"The most beautiful people I've known are those who have known trials, have known struggles, have known loss, and have found their way out of the depths."

– Elizabeth Kübler-Ross

Imagine not having a safe place to call home during this time. Home meant more to everyone in 2020.

Despite the challenges, we met the task together, housing more families when they needed it most!

In 2020, this and more was accomplished!

-  25 families said goodbye to unstable housing and purchased brand new Habitat homes!
-  Our 34-home Arbor Bend community was completed, filling an affordable housing need in south Apopka.
-  33 mentors are now on the rolls to give financial counseling to families trying to qualify for homeownership.
-  20 non-Habitat homes received critical repairs.
-  6 homes were built in 5 days during Builders Blitz.

THANK YOU FOR MAKING THIS POSSIBLE!
