Template #4:

Receiving help from Habitat for Humanity Greater Orlando & Osceola may seem like a fairytale, but there is a lot of hard work that goes into it. Because of your contribution, Habitat was able to gain the tools to provide our family with a beautiful home. Now we can finally live happily ever after, thanks to you.

The (insert your last name) family

GET YOUR CHILDREN INVOLVED:

We will love to see the kids draw pictures of houses, families, flowers, birds, tools (like hammers, paint buckets, paint brushes, nails, etc.), anything that is Habitat for Humanity related and that would tug at the hearts of our sponsors.

MUST:

- Handwritten
- Legible
- Include drawings in color (with crayons, markers, color pencils)
- Must thank donors, volunteers or both.
- Must express what *home* means to you.
- Do create all 100 letters with the same message, mix it up. You can use examples provided in this message or create your own. Be creative and thoughtful in your message.

CREDIT:

- Please email home@habitorlandoosceola.org to arrange to drop off completed letters at the Habitat office. Sweat equity credit will be given after the letters have been reviewed by staff.
- 100 Thank You Letters = 6 hours of Sweat Equity

****100 is the max per family****

Do's/DON'TS:

- Letters must be handwritten; photocopies of the letters will not be accepted.
- Provide a variety of different handwritten messages. We do not want all 100 letters to be the exact same way. You can have some with the same message, but no more than 10 alike.
 - Good rule of thumb:
 - 10 different messaged letters x 10 of them = 100 letters

OTHER EXAMPLES:

- See some examples included below.

A colorful drawing of a landscape. In the top left corner, a large yellow sun with rays is partially visible. The sky is light blue and contains four white, fluffy clouds. The ground is green, representing grass, and is dotted with several green trees with brown trunks. In the foreground, there are two purple buildings with blue windows and doors. To the right of the buildings, there is a small blue pond. In the bottom center, there is a dark grey, irregular shape that looks like a shadow or a piece of ground. The overall style is simple and childlike, using bright colors and simple shapes.
